

OLTL - LILY AUDITION SCENE

LILY

Well, look what the cat dragged
in.

JOSH

A cliché. I'm surprised.

LILY

An insult. I'm not surprised.

JOSH

I need your answer on that deal
I proposed.

LILY

Proposed? -- You dumped a bunch
of settlement ideas in my lap.
And they all favored your
client. You want my answer?

JOSH

What's your answer?

LILY

Go to hell.

JOSH

Don't like it.

LILY

Tough.

JOSH

I really want to work with you
on this.

LILY

Why?

JOSH

We both like to win and we both like money.

LILY

Money. How come somebody who grew up with so much, wants more? Money's all you think about isn't it?

JOSH

No, a lot of the time I'm thinking about winning and you.

LILY

Don't start with the bull. I told you, I'm not settling and you are not winning.

JOSH

This isn't about winning.

LILY

It's always about winning with you.

JOSH

Come on -- this can't be news. I get in a room with you... all I do is stare.

LILY

I never noticed. I don't trust you.
